

ART STUDIO, MINOR

Program Overview

For students seeking to develop their formal, conceptual, and technical artistic skills, the Art Studio Program offers courses in a variety of art media: drawing, painting, design, textiles, photography, ceramics, new media art, and architecture. These courses can be taken as university electives or to fulfill requirements for minors in art studio or photography or for the major or minor in pre-architecture. The program offers pre-architecture as a second major and as a minor for students who expect to continue architectural studies at the graduate level.
