

# PHOTOGRAPHY, MINOR

---

## Program Overview

The minor in Photography is designed for students seeking to develop their formal, conceptual, and technical skills in photographic image making, processing, and manipulation. Courses in traditional, black and white chemical process photography are offered, as well as digital photo courses. Art Studio Minors must provide their own 35mm camera.

## Undergraduate Policies

For undergraduate policies and procedures, please review the Office of Undergraduate Studies section of the General Bulletin.
