

COGNITIVE SCIENCE, MINOR

Program Overview

The minor provides a solid grounding in cognitive science and allows students to focus on those aspects of the field most relevant to their other academic interests.

Undergraduate Policies

For undergraduate policies and procedures, please review the Undergraduate Academics section of the General Bulletin.

Program Requirements

The minor requires students to take the following:

Code	Title	Credit Hours
COGS 101	Introduction to Cognitive Science	3
Choose one of the following:		3
COGS 102	Introduction to Cognitive Neuroscience	
COGS 201	Human Cognition in Evolution and Development	
COGS 202	Cognition and Culture	
COGS Electives ^a		9
Total Credit Hours		15

a All three COGS electives are required to be at the 200- or 300-level.

The minor provides a good basic grounding in cognitive science, and allows students to narrow their exposure to those aspects of the field most relevant to their other academic interests.
