

PATENT PRACTICE, MA (ONLINE)

Degree: Master of Arts (MA)

Field of Study: Patent Practice

Program Overview

The Master of Arts in Patent Practice program is designed to prepare students for careers as patent agents. Students must be eligible to sit for the patent bar exam, which requires an undergraduate degree in engineering, computer science, or a physical or biological degree. This degree is a viable alternative for students who want to pursue a career in patent practice without having to take the full three-year JD. Merit scholarships are available.
