

# HEALTHCARE MANAGEMENT, MINOR

---

## Program Overview

The Weatherhead School of Management offers a minor in healthcare management that provides a broad overview of healthcare management. The minor is available to all undergraduate students with the exception of students completing the Business Management major with the Healthcare Management concentration.

For more information, review the Weatherhead School of Management programs website or contact the Healthcare Management Academic Representative.

## Learning Outcomes

- Understand and evaluate healthcare issues and the healthcare system from a management perspective.

## Undergraduate Policies

For undergraduate policies and procedures, please review the Undergraduate Academics section of the General Bulletin.
