

# HONORS AND AWARDS

## Dean's Honors Lists

The Dean's Honors Lists consist of the names of those undergraduate students who have distinguished themselves by achieving during the previous semester the grade point averages required with a minimum of 12 credit hours earned and who have no Fs or NPs, during the same period. Students with a grade point average of 3.750 or higher will be placed on the Dean's High Honors List. Students with a grade point average of at least 3.500 but less than 3.750 will be placed on the Dean's Honors List. Students whose records include Incompletes become eligible for the Dean's Honors Lists once all Incompletes have been converted to final grades. Having earned a place on the Dean's Honors List or Dean's High Honors List is noted on the transcript.

## Latin Commencement Honors

Latin Commencement Honors are awarded to the top 35 per cent of the graduating class based on overall grade point average.

- Top 10 per cent: *summa cum laude*
- Next 10 per cent: *magna cum laude*
- Next 15 per cent: *cum laude*

The specific GPA cutoffs are determined each year after the awarding of August degrees on the basis of the GPAs of students who graduated over the past five years. These cutoffs are then applied to degrees awarded in the following January, May, and August.

To be eligible for Latin commencement honors, candidates must have:

- a. Earned a minimum of 54 credit hours for evaluative grades (A, B, C, D) in residence at the university.
- b. Attained the required percentile ranking on the basis of all work for which grades are averaged at the university.

## Honors in the Major

Some majors offer outstanding students the opportunity to complete an honors program. Students who participate in an honors program in the major and satisfy the requirements for such a distinction, as specified by the major, may qualify to receive the degree "with honors in the major." The academic representative for the major can provide information regarding requirements for graduation with honors in the major.

## Phi Beta Kappa

Phi Beta Kappa, a national honor society, recognizes outstanding scholarship in the arts and sciences. The Alpha Chapter of Ohio, established at Western Reserve College in 1847, was one of the first ten chapters established nationally. Students may qualify for election to membership in the second semester of the senior year. A few outstanding students may be elected to membership as juniors.

## Tau Beta Pi

Tau Beta Pi is a national honor society that recognizes full-time engineering students for outstanding scholarship, leadership, and service.

## Mortar Board

Mortar Board is a national honor society that recognizes full-time senior students for outstanding scholarship, leadership, and service.

## Fellowships and Scholarships

Outstanding students may obtain information about nationally-competitive fellowships and scholarships (Goldwater, Truman, Rhodes, etc.) in the Undergraduate Advising Support Office.

## Departmental and Collegiate Awards

At academic awards assemblies at the end of each spring semester, the university recognizes the outstanding achievements of individual students. Departmental awards are based on achievement in specific academic disciplines. Some departmental and collegiate awards are based on a combination of scholarship, leadership, and service.

The collegiate awards for students with the best academic records take into account credit load and grades; students who opt for the Pass/No Pass grading option in a course will not be eligible for best academic record awards unless the original evaluative grades submitted by the instructor to the Office of the University Registrar would qualify them.

## Accountancy

- The Outstanding Senior Project Award
- The Robert L. Shurter Award to one junior or senior student for outstanding achievement and leadership in extra-curricular activities
- The Srinivasa (Vasu) P. Gutti Chairman's Award to an outstanding student in biomedical engineering

## Chemical and Biomolecular Engineering

- The A. W. Smith Prize to a senior for academic achievement in chemical engineering in the junior and senior years
- The Carl F. Prutton Chemical Engineering Award to the senior whose academic performance merits his or her selection as outstanding
- The Chemical Engineering Award for the outstanding junior student
- The Chemical Engineering Award for the outstanding sophomore student
- The Connie Ilcin Award to the student who exhibits outstanding performance in chemical engineering
- The Monroe J. Bahnsen Award to a senior for achievement in chemical engineering whose work in design and research projects has been outstanding
- The Robert L. Shurter Award to one junior or senior student for outstanding achievement and leadership in extra-curricular activities
- The William H. Schuette Memorial Award to an outstanding senior in chemical engineering

## Chemistry

- The ACS Organic Chemistry Award
- The Analytical Chemistry Award for excellence in analytical chemistry
- The Carl F. Prutton Prize for scholarship in chemistry to a student pursuing the Bachelor of Science degree
- The Charles F. Mabery Prize is awarded to the undergraduate or graduate student presenting the best thesis on a subject connected with research in the Department of Chemistry
- The George A. Olah Award to an outstanding senior pursuing graduate work in chemistry
- The Hippolyte Gruener Award to a student for merit in chemistry
- The Ignacio Ocasio Freshman Chemistry Achievement Award for the highest achievement in freshman chemistry
- The Inorganic Chemistry Award for excellence in inorganic chemistry
- The Iota Sigma Pi/Frank Hovorka Prize to the woman chemistry major with the highest average after three semesters
- The Mateescu Citizenship Award
- The Nenitzes-Avram Award

- The Olin Freeman Tower Prize for excellence in physical chemistry
- The Royal Society of Chemistry Certificate of Excellence
- The W. R. Veazey Prize to a student with the highest academic achievement in physical chemistry courses

## Civil and Environmental Engineering

- The Allison C. Neff Memorial Award in recognition of high proficiency in professional studies and participation in professional activities to a member of the junior class majoring in civil engineering
- The Civil and Environmental Engineering Advancing Diversity Award to an undergraduate or graduate student who promotes diversity in the department culture
- The Civil Engineering Student Leadership Award to an undergraduate or graduate student who demonstrated excellent leadership to department student organizations
- The Craig J. Miller Memorial Award to an undergraduate or graduate in the general field of civil engineering
- The Harry R. Nara '46 Prize to an undergraduate student in Civil and Environmental Engineering who embodies the dedication and spirit of Professor Harry R. Nara '46
- The Kenneth M. Haber Award to the outstanding student in civil engineering
- The Richard and Opal Vanderhoof Award to an outstanding senior in civil engineering
- The Robert L. Shurter Prize for one junior or senior student for outstanding achievement and leadership in extra-curricular activities
- The Roy Harley Prize to a promising senior or graduate student in civil engineering

## Classics

- The Abraham Fuller Prizes for excellence in the study of Akkadian, Greek, or Latin
- The Emma Maud Perkins Prize for excellence in classical studies
- The Florence Appelbaum Greenbaum Scholarship for students studying Classics
- The Kathleen S. and Frederick C. Crawford Scholarship to the American School of Classical Studies in Athens

## Cognitive Science

- The Award in Cognition and Culture
- The Cognitive Science Innovation and Collaboration Award to the winners of the COGS 101 Team Challenge

## Computer and Data Sciences
