

FRANCES PAYNE BOLTON SCHOOL OF NURSING UNDERGRADUATE DEGREE REQUIREMENTS

Bachelor of Science in Nursing Degree

Candidates for the Bachelor of Science in Nursing (BSN) degree, in addition to meeting the general requirements for bachelor's degrees (<http://bulletin.case.edu/undergraduatestudies/degreeprograms/>), including the SAGES and physical education requirements, must also complete the following requirements:

1. A minimum of 123.5 credit-hours.
2. The General Education Requirements of the Frances Payne Bolton School of Nursing listed below.
3. The requirements for the major in nursing as presented in this Bulletin.
4. For all courses specifically required for the major in nursing, a minimum grade of C.

Note that most Nursing students will complete NURS 320 Theoretical and Evidence Bases for Best Practice in Nursing to fulfill the SAGES Departmental Seminar requirement and will complete NURS 373 Global Health Practicum to fulfill the SAGES Senior Capstone requirement. Also, most Nursing students will complete NURS 277 BCLS and First Aid for Health Care Providers upon matriculation to count as a half-semester of Physical Education credit; this course may be used again two years later for a second half-semester of Physical Education credit.

General Education Requirements of the Frances Payne Bolton School of Nursing (minimum of ten 3- or 4-credit-hour courses, totaling at least 30 credit-hours)

These requirements provide a broad educational foundation for the Bachelor of Science in Nursing program.

Course credit earned by Advanced Placement, International Baccalaureate, proficiency examinations, and transfer credit may be used to satisfy School of Nursing general education requirements.

Natural and Mathematical Sciences (18 credit-hours)

Mathematical Reasoning and Analysis * 3

ANTH 319	Introduction to Statistical Analysis in the Social Sciences
PSCL 282	Quantitative Methods in Psychology
STAT 201	Basic Statistics for Social and Life Sciences
or STAT 201R	Basic Statistics for Social and Life Sciences Using R Programming

Natural Sciences 15

BIOL 114	Principles of Biology
BIOL 116	Introduction to Human Anatomy and Physiology I
BIOL 117	Introduction to Human Anatomy and Physiology II

CHEM 119	Concepts for a Molecular View of Biology I	
CHEM 121	Concepts for a Molecular View of Biology II	
Total Units		18

* Students choose one of these four courses. A student who successfully completes one of these courses is not eligible to earn credit for any of the other three.

Breadth (12 credit-hours)

SOCI 203	Human Development: Medical and Social *	3
----------	---	---

Nine credit-hours comprised of 3- or 4-credit-hour courses outside of the areas of nursing, natural science, and mathematics offered by the College of Arts and Sciences; the Case School of Engineering; the Weatherhead School of Management; the Jack, Joseph, and Morton Mandel School of Applied Social Sciences; the School of Medicine Department of Bioethics; the Cleveland Institute of Music; or the Cleveland Institute of Art. Other courses approved by the School of Nursing BSN faculty are also acceptable. The selection of courses to satisfy this requirement should be done in consultation with the student's academic advisor(s).

Total Units 12

* or approved course in human growth and development.
